

# THOM & MELODY STEPHENS

Their musical journey as artists and award winning singer-songwriters, Thom & Melody Stephens have gained national notoriety from their home in Northport, Alabama. Their unique Contemporary Christian Country style reaches souls of all ages and is a perfect fit for any church, event or concert.

“We have been rooted in church our entire lives, even to this day, but traveling and sharing our songs and testimonies is truly our calling”, Thom said.

Joining the husband and wife duo on stage is their son, Zach, who is no stranger to their concerts. He is on the front line now and carving his own way in the music industry as a dynamic singer, songwriter and musician.

Melody states, “We never want anyone to leave a concert or service thinking, wow, they were great. But rather we want everyone to leave encouraged, hopeful and more importantly, knowing and feeling the love of Jesus.”

Their latest album entitled Beautiful Messes is a compilation of songs that shows, very candidly, where they’ve been in life, where they are in life and where they are going. Any time they take a stage or platform, you will immediately notice their genuine realness and anointing.
